

NBPO/FMD Corres.

21 March 1988

MEMORANDUM FOR: Chief, Operations, Facilities Management Division, OL

FROM: [REDACTED]

OL, New Building Project Office

SUBJECT: Receipt of Materials

1. The following materials have been received by the government from Centex Construction Co., Inc., to be placed under the custody of Ogden-Allied:

- A. 138 doors
- B. 28 V-Filler Panels
- C. 282 Dry Wall Bucks (3-0)
- D. 6 Masonry Bucks (3-0)
- E. 2 Double Shielded Bucks
- F. 1 Single Shielded Buck

2. These materials were inspected by [REDACTED] on Friday, March 18, 1988, in the presence of Mr. Fred Bayne, GSA inspector and myself.

3. These doors and frames should be considered as being government furnished materials to be used as needed in the Headquarters compound. A procedure for the control of their use should be developed by Ogden-Allied. They may remain stored in the parking deck storage room for the time being. Additional materials received from the contractor will be added thru NBPO in the future.

Enclosed herewith, is a copy of the listing of doors and frames, received by Mr. Fred Bayne on March 9, 1988. Fifty additional doors were received after that date to complete the total of 138. GSA will also provide Ogden-Allied a copy of the NHB door schedule.
